WORKOUT PARTICIPATION:

- There is no commitment required in terms of how often Club Members attend workouts, other than what the Athlete's schedule & homework will permit. Athletes have the choice of participating in Track/XC Workouts (Monday & Thursday evenings) or Jumper Workouts (Wednesday evenings), or both.
- Plan to arrive 5-10 minutes prior to workouts – this will provide athletes time to change and warm-up as instructed by the Coach or Assistant Coach.
- During Track/XC workouts Athletes are divided into multiple groups based on what is planned for that evening's workout, number of athletes in attendance, and the ages & abilities of the individual athletes.

MEET PARTICIPATION:

- Meets are a very important part of the Club – participation is strongly recommended as a way of helping Athletes develop goal setting skills and evolving their athletic abilities.
- At the outset of each new season Fred Robbins, our Head Coach and Club Director (fred@yrrc.ca), will determine which meets sanctioned by one of the [SPORT GOVERNING BODIES](#) the club will participate in. Please check the [CLUB CALENDAR](#) periodically for information regarding new meets that have been added or updated to existing ones.
- It is NOT the club's responsibility to pursue Athletes and their Families regarding meet participation. As a way of helping facilitate the process "Meet Participation Request" Submission Deadline Notifications are added to the events calendar. These reminders are placed in the calendar on the Sunday prior to a meet and Parents or Athletes are asked to submit their MPR's by 6:00 pm on that day if an Athlete would like to participate in the upcoming event – Athletes are allowed to participate in up to 3 events per meet.
- The Club is responsible for registering all Athletes that a [MEET PARTICIPATION REQUEST](#) (MPR) has been received for, including covering any fees associated with the registration.

SEASON REGISTRATION:

- Please bring to the first workout that you, your son or daughter attends each season a completed [REGISTRATION FORM](#), along with a cheque payable to "York Region Runners Club".
- For new registrations to the club a photocopy of an Athlete's Birth Certificate and Ontario Health Card is required – however once provided they will not be required for future registrations.
- The fee for each of the **Outdoor Spring or Fall Seasons** is \$250.00 per athlete.
- The club membership fee for the **Indoor Winter Season** is \$170.00 per athlete, plus the cost for the use of the Toronto Track & Field Centre (TTFC), York University.
